# FAIRBANKS YOUTH ADVOCATES

*~ Facilitating life transitions for at-risk youth ~*

November 18, 2014

Dear Co-operative Market & Members,

Fairbanks Youth Advocates believes that providing emergency shelter at critical times in the lives of young people is vital to their present and future well being, ultimately contributing to the stability and long term health of our community.

We have one main goal. Our mission, *facilitating life transitions for at-risk youth* has lead us to:

1. providing homeless, near homeless, and other marginalized youth, support to help them move towards stability, health in all its forms, and self sufficiency.

If we are selected for the Lend-a-Hand Register Round-up, we will use the funds to purchase healthy nutritious foods, making every effort to support locally grown produce and food items. The Lend-a-Hand funds will help provide healthy nutritious meals that support physical health for the youth who stay with us.

Sincerely,

Marylee Bates  
Executive Director
