

FAIRBANKS YOUTH ADVOCATES

~ Facilitating life transitions for at-risk youth ~

November 30, 2015

Dear Co-operative Market & Members,

Fairbanks Youth Advocates believes that providing emergency shelter at critical times in the lives of young people is vital to their present and future well being, ultimately contributing to the stability and long term health of our community.

Fairbanks Youth Advocates' main goal is to provide support to homeless youth. We operate The Door, a 24-7 emergency shelter for youth ages 12 through 18.

We are a community organization and have received donations from the Co-op Market within the last year. We are requesting to be selected for the Lend-a-Hand Register Round-Up. If we are re-selected for Lend-a-Hand, we will use the funds to purchase healthy foods that support the health of our youth at the shelter.

Sincerely,

Marylee Bates
