Dear Kristin,

I am writing to you today on behalf of the United Way of the Tanana Valley. United Way is a social service organization responsible for mobilizing resources to improve conditions in the local community with a goal of helping to build a better life for all people in the Tanana Valley.

We invite you to join us as we work towards this goal and Live United in the Tanana Valley. By choosing United Way to be a recipient of the Lend-A-Hand Program, you are supporting 21 member agencies that help to meet the most critical needs of the Fairbanks community. Everyday our agencies help to educate and mentor students, ensure the futures of Alaskans through providing mammograms, give relief to weary caregivers, and aid those who have fallen on hard times and are dealing with unexpected crises. Although our agencies cover a wide variety of our community's needs, it is important to note that United Way aids other non-profits throughout the Tanana Valley as well through outlets like our Donor's Choice initiative.

Please contact me at (907) 452-7211 ext. 102, or my email jolee.g@unitedwaytv.com if you are able to help. Thank you for your time and for considering this request. We look forward to working with you to build a better Fairbanks community.

Sincerely,

JoLee Giuchici
