THANK YOU FOR YOUR INTEREST IN BECOMING AN OWNER!

In March 2013 the dream of opening a Community-Owned grocery store in downtown Fairbanks became a reality!

Now your support is needed to ensure our success during the first few years.

Each Owner’s investment helps build the capital to sustain Co-op Market Grocery & Deli.

As an Owner, you have a voice in a democratically run business.

Owners can participate in a variety of ways. Here are just a few:

- Vote for your Board of Directors.
- Run for a seat on the Board of Directors.
- Attend annual Ownership meetings and monthly Board of Director meetings.
- Enjoy Owner Appreciation Days and 10% off one entire shopping trip several times a year.
- Receive discounts on bulk orders and monthly Owner-Only discounts on items around the store.

When the store becomes profitable, Owners may receive a percentage of the profit based on patronage (how often you shop with us).
