Dear Generous Friend,

The mission of the Boys & Girls Club of the Tanana Valley is to provide a safe, clean, and fun place for the hundreds of youth we serve each year. With the ever-changing nature of our Nation's economy, it is more important than ever to ensure that our children have an affordable and safe place to go during the critically important time spent *out of school*. The Boys & Girls Club offers such a place with programs that focus on academic success, character and leadership, and healthy lifestyles with caring mentors to guide our local youth.

We are asking you to include us as one of your Lend-A-Hand organizations for the 2017 calendar year. With funds raised through this program, we hope to increase the number of youth we are serving, increase the quality of programming we are providing, and improve various program areas within our facility. It is through the generosity and community commitment of people like you that we are able to keep our club open and thriving.

Thank you for being part of our mission. Please contact Deison Rios at 457-1163 or email drios@bgcalaska.org with any questions.

With gratitude,

Deison Rios
