Dear Co-Op Market Owners:

Our mission aligns perfectly with your desire to create a knowledgeable community informed about choices that impact personal wellness and the environment, therefore we would like to apply for your Lend-a-Hand program for 2019.

KUAC Friends Group supports the mission of KUAC, the public radio and television stations for Interior Alaska. KUAC FM broadcasts news and entertainment on three streams and is heard in Fairbanks, Bettles, Delta Junction, Eagle, Healy, Nenana, Nome, and Tok. There are five TV channels, including the main channel, World, Create, UATV/FNX and 24-hour PBS Kids programming. We seek to inform, educate and entertain our viewers and listeners.

We tell stories that would otherwise go untold. We bring awareness to issues that would otherwise go overlooked. We present performances that would otherwise be inaccessible. We educate every generation. At KUAC, We create radio and television programming that is thought-provoking, trustworthy and even life changing – connecting Alaska to the world and the world to Alaska.

We train volunteers to be radio hosts and provide up-to-date information in the event of an emergency. KUAC gives voice to ideas which results in a larger discussion and a better understanding of our world. Through this vision, change is inspired, people take action and lives are improved.

Donations from listeners and viewers are an important resource, enabling us to provide quality programs and services to our community. Gifts through programs such as Lend-a-Hand make it possible to continue to connect Alaska to the world and the world to Alaska and make it possible for Alaska's children to get ready to learn and reinforce concepts they are learning at school. They also make it possible for our electorate to stay informed and make a difference and create a community of thinkers and doers. Thank you for your kind consideration.
