

CO-OP MARKET GROCERY & DELI

CURBSIDE GROCERY PICKUP

Ordered, Boxed & Ready to Go

April/May 2020

Co-op Market Grocery & Deli is proud to serve our community during this difficult time.

To make shopping easier for older Alaskans and those at risk or in quarantine, we now offer curbside grocery pickup.

ORDERING

- Curbside pickup is offered Tuesday through Friday.
- Orders placed before 1 p.m. will be ready on the same day. Orders placed after 1 p.m. will be available the next day. Orders will be ready for pickup after 2 p.m.
- You probably won't receive a phone call while staff are shopping for you. If an item is not in stock, it won't be included in the order.
- Your items will be stored in the correct temperature until you arrive to pick them up.
- Orders must include at least 5 and no more than 20 items.
- Complete this form and return to curbside@coopmarket.org.

CHECKOUT AND PICKUP

- A cashier will call you once to give you your purchase total and get your credit card number. Tell the cashier what time you can pick up your order.
- When you drive up, call 457-1023 ext. 101 or 102. An employee will bring your order outside.
